Big Business features at a Small Business Price.

Combines Terminal and Windows based software to form a complete Time and Attendance System.

The PayClock EZ Time and Attendance Terminal is designed exclusively for small businesses with 50* or fewer employees. Reliability, functionality and ease of use are the trademarks of this terminal. Employees swipe their plastic badges to punch in and out, it's that simple. All of the transaction data is kept safe by a standard internal 5 year lithium battery backup. Partnered with the PayClock for Windows Time and Attendance Software and your personal computer, the PayClock EZ is the perfect solution for small businesses that want to track employee time and automate payroll processing at a reasonable cost. * Expandable to 150 employees.
